CASE STUDY

July 2010

New £1.3m Office Development

Client: Swansway Garages Ltd

Location: Crewe Business Park, Crewe

HOW Planning has secured planning approval on behalf of Swansway Garages Ltd for a new office development at 'Crewe Gateway' part of the Crewe Business Park. The scheme will provide modern, high quality purpose built offices for EMaC which, along with Swansway Garages is part of the family-run Swansway Group.

Currently the business employs 50 staff and the new development will provide EMaC with capacity for future expansion. With the new plans for the additional offices the Company intends to expand with scope for the number of employees to almost double.

The application incorporates full planning permission for the erection of a 1,229 sq m, 3 storey office building with associated car parking, access and landscaping arrangements. The new development will be located in a sustainable location at Crewe Gateway within Crewe Business Park.
