CASE STUDY

December 2011

High Specification Housing Scheme

Client: Private Landowner

Location: Brereton Heath, Somerford

HOW Planning has secured outline planning permission on behalf of a private landowner for a high specification housing scheme on a vacant plot of land in Brereton Heath, Somerford.

Cheshire East Council granted outline planning permission for the new development, which will be built on a piece of vacant land and will complete the linear form of existing residential development along this part of Holmes Chapel Road.

The design for the new homes is sympathetic to the surrounding area and will complement the existing housing. The outline application has been approved with all matters reserved except for means of access and the design includes associated private gardens and parking spaces for each new house.
