# PRESS RELEASE

December 2011

## PLANNING APPROVED FOR NEW FAMILY HOMES

Outline planning permission has been awarded for a residential development in Brereton Heath, Somerford. Manchester based HOW Planning has secured the permission on behalf of a private developer who plans to build a high specification housing scheme.

Cheshire East Council has granted outline planning permission for the new development, which will be built on a piece of vacant land and will complete the linear form of existing residential development along this part of Holmes Chapel Road.

Says Amy James, Planner at HOW Planning: "The design for the new homes is very sympathetic to the surrounding area and will complement the existing housing. Once complete it will provide new homes all of which will be built to a very high specification."

The outline application has been approved with all matters reserved except for means of access and the design includes associated private gardens and parking spaces for each new house.
